

# *Pasture Plus+ 15-5 Mineral*

With  *"Water Shed" Technology*

Mineral and Vitamin Supplement for Cattle, Sheep, Goats, and Deer

## **-Features-**

- ✓ Provides Calcium and Phosphorous plus the vital levels of vitamins and trace minerals needed for the maximum nutritional response that complements pasture and hay forage.
- ✓ Feed free choice to cattle, sheep, goats or deer. Use as the only source of salt to help ensure proper consumption. If animals over consume mineral simply add some loose salt to the mineral to decrease consumption until animals adjust to the mineral
- ✓  "Water Shed" technology: "Helps Keep Mineral Dry". Protects mineral from weather and helps resist caking, leaching & hardening in the mineral feeder.
- ✓ Contains prebiotics from yeast culture to help animals digest forages more thoroughly and maintain a healthy digestive system.
- ✓ Provides the full necessary spectrum of modern supplementation including calcium, phosphorous, salt, magnesium, potassium, zinc, manganese, copper, iodine, selenium and vitamins A, D and E.
- ✓ Contains natural flavors & cane molasses to enhance proper consumption.
- ✓ "Safe Copper" formulation provides copper at a safe level for all species.
- ✓ Only the highest quality phosphorous source is used to help ensure proper phosphorous absorption.
- ✓ For best results, feed continuously in a weather protected mineral feeder or under a loafing shed. Keep fresh product out at all times.
