

# **Race Horse Whole Oats**

World's Best Triple Cleaned Whole Oats

Contains: 11% Protein 4% Fat

## **-Features-**

- ✓ Heavy Northern Oats are selected for heavy bushel weight and quality.
- ✓ The oats are then tested for aflatoxins then triple cleaned to polish the oats and remove chaff and dust.
- ✓ Precisely rolled to an optimum degree to allow maximum digestion.
- ✓ Just before bagging the oats are vacuum cleaned to remove any remaining dust or light material. This last process leaves the product incredibly clean and extremely desirable for horses and other livestock.
- ✓ Consistent quality bag after bag make this the very best Whole Race Horse Oats available anywhere at any price.
