

Tech-Master Complete Mineral

High-Tech Mineral for Cattle, Horses & Goats

-Features-

- ✓ Research proven to significantly increase conception rates, increased weaning weights and much more. (Research Report Available)
- ✓ Contains patented amino acid chelated trace minerals, kelp seaweed meal, probiotics & prebiotics. Provides calcium & phosphorus in a one to one ratio plus vitamins and trace minerals needed to complement feeds, pasture and hay forage.
- ✓ Offer free choice to animals on pasture. If animals over consume mineral simply add more loose salt to the mineral to decrease consumption until animals adjust to the mineral. Then you may reduce the level added salt to reach the appropriate consumption levels.
- ✓ Fortified with prebiotics and probiotics to maximize digestive efficiency and forage utilization while helping to maintain a healthy digestive tract by fighting off pathogens naturally and safely.
- ✓ Contains patented amino acid chelated trace minerals for optimum mineral absorption. Optimum trace mineral nutrition maximizes immune system response, breeding fertility, hoof health and vivid hair color.
- ✓ Formulated with kelp seaweed meal to supply natural micronutrients and iodine. Helps moderate body temperature and improve hoof health.
- ✓ Provides appropriate levels of calcium, phosphorous, magnesium, zinc, manganese, copper, iodine, selenium & vitamins A, D & E.
- ✓ Contains natural flavors and dried molasses to enhance consumption.
- ✓ For best results, feed continuously in a weather protected mineral feeder or under a loafing shed. Keep fresh product out at all times.
