Net Weight 50 lbs. (22.6 Kg)

Product Description

Game Bird/Turkey Starter Crumbles are designed to provide turkeys, ostrich, emu, other poultry and game birds including ducks, quail, pheasants, chuckars, peafowl, partridge and dove with the proper balance of amino acids and other nutrients essential for optimal growth.

Feeding Directions

Feed free choice in weather protected feeders until birds reach 10 weeks of age. When birds are being fed for the first time, observe closely to be sure all birds are eating. When birds reach 10 weeks of age, they should be changed to **Bluebonnet Game Bird/Turkey Breeder Crumbles** to develop as breeders or other appropriate feed depending on type of bird. Be sure to provide plenty of room and a sanitary, warm, dry environment for the birds. If disease conditions exist, proper medication should be added to the water.

NOTE: Provide plenty of fresh, clean water at all times. Keep feed fresh in cool, dry storage. DO NOT use feed that is old, molded or insect contaminated.

CAUTION: This product contains added copper. Do Not Use in feeds for Sheep.

CAUTION: Follow Label Directions. The addition of higher levels of selenium to feeds containing this product is not permitted.
