**Horseman’s Elite 14**

**Textured Horse Feed**

A Fortified Feed Designed For All Performance Horses
And Breeding Horses Of All Ages

---

**Guaranteed Analysis**

- **Crude Protein Min.** 14.00 %
- **Copper Min.** 50 ppm
- **Lysine Min.** 4.50 %
- **Selenium Min.** 50 ppm
- **Crude Fiber Max.** 12.00 %
- **Manganese Min.** 100 ppm
- **Calcium Min.** 1.00 %
- **Vitamin A Min.** 6,000 l.u./lb
- **Phosphorus Min.** 0.50 %
- **Vitamin E Min.** 50 l.u./lb
- **Magnesium Min.** 0.20 %
- **Riboflavin Min.** 2.55 Mg/lb
- **Sodium Min.** 0.19 %

**Ingredients**

- Whole Oats, Corn Chops, Dehulled Soybean Meal, Rice Bran, Soybean Oil, Wheat Middlings, Corn Gluten Meal, Sunflower Meal, Cane Molasses, Yeast Culture, Dried Enterococcus Faecium Fermentation Product, Dried Lactobacillus Acidophilus Fermentation Product, Dried Aspergillus Nigre Fermentation Extract, Dried Trichoderma Longibrachiatum Fermentation Extract, Dried Bacillus Subtilis Fermentation Extract, Calcium Carbonate, Monocalcium Phosphate, Salt, Lignin Sulfonate, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, L-Lysine, DL-Methionine, L-Threonine, Biotin, Nicin Supplement, d-Calcium Pantothenate, Folic Acid, Thiamine Mononitrate, Riboflavin Supplement, Pyridoxine Hydrochloride, Vitamin B12 Supplement, Ferrous Sulfate, Ferrous Carbonate, Manganese Sulfate, Manganese Oxide, Zinc Sulfate, Cobalt Carbonate, Copper Sulfate, Sodium Selenite, Ethylenediamine Dihydriodide, Roughage Products 12%

**Product Description**

This high protein high fat feed is designed to provide quality protein and energy along with balanced mineral levels for horses. This feed may be used for training, breeding, and maintenance.

**Feeding Directions**

- **For Training Horses:** Feed from 1.5 to 2 lbs. per 100 lbs. of body weight daily.
- **For Maintenance:** Feed approximately 50 to 1 lbs. per 100 lbs. of animal’s body weight daily.
- **For Growth & Lactation:** Feed approximately 1 to 2 lbs. per 100 lbs. of animal’s body weight daily.
- **For Breeding:** Feed approximately 1 to 2 lbs. per 100 lbs. of animal’s body weight daily.

Feed Hay or Forage Daily: Horses should have daily access to some form of quality forage, such as hay, pasture or both. Feed horses hay or forage daily at a minimum level of 1% of their body weight.

**IMPORTANT – PLEASE READ:**

- Monitor the condition of your horses and increase or decrease the daily feed amounts to obtain the desired condition or growth rate. Provide plenty of fresh, clean, cool water at all times. Change feed slowly over several days. Keep feed fresh in cool, dry storage. Do not feed to animals that is old, wet, soiled, molded, insect contaminated or has an "off" odor. Follow the veterinarian’s recommendations concerning overall health management.

- **Manufactured By:** AC Nutrition, LP
  - P.O. Box 2006
  - Ardmore, OK 73402
  - Net Wt. 50 lbs / 22.6 kg
