Ingredients

Monocalcium Phosphate, Calcium Carbonate, Salt, Corn Dried Distillers Dried Grain with Solubles, Cane Molasses, Vegetable Oil, Mineral Oil, Zinc Protein, Selenium Yeast, Magnesium Oxide, Potassium Chloride, Yeast Culture, Zinc Sulfate, Zinc Oxide, Manganese Sulfate, Manganous Oxide, Copper Chloride, Copper Sulfate, Ferrous Sulfate, Ethylenediamine Dihydrochloride, Potassium Iodide, Cobalt Carbonate, Iron Oxide, Sodium Selenite, Calcium Silicate, Calcium Salts of Long Chain Fatty Acids, Silicone Dioxide, Vitamin A Acetate, Cholecalciferol (source of Vitamin D), Vitamin E Supplement, Natural and Artificial Flavors Added.

Product Description

This exceptional quality vitamin mineral supplement is designed to provide high quality sources of calcium, phosphorous, salt, vitamins and trace minerals for optimum results.
“Water Shed” technology is included to help product resist moisture.

Feeding Directions

Feed free choice, preferably in mineral feeders. Daily consumption by cattle should range from 2 to 4 ozs per head daily depending on mineral requirements pasture and weather conditions. Goats and Deer should average 0.5 to 1 ozs daily.
If overconsumption is occurring, then more salt may be added to the mineral or offered free choice separately. Under normal conditions, this product should be the only source of salt offered when feeding this mineral. Do not offer any other mineral supplement when feeding this product.

CAUTION: DO NOT feed to sheep.
